Dear Fellow Parishioners

The Parish Council is considering the creation of a parish social committee that would be called the Sacred Heart Parish Fellowship. The committee would plan and run various events (social, educational) with the expectation that parishioners would not only enjoy the event, but would also get to know more of their fellow parishioners on a personal basis.

To help us in the planning and creation of the committee, we need your input to determine your interest in participating in the events, the type of activities you would like the committee to plan and your interest in volunteering to help run said events.

Please assist us by responding to the following questions:

1. Would you be interested in attending such events? Yes ___ No ___
2. Would you be interested in helping to run events? Yes ___ No ___
3. Would you prefer that the events be held on weekdays? Yes ___ No ___
4. Should the events be held....
   a. Mornings? Yes ___ No ___
   b. Afternoons? Yes ___ No ___
   c. Evenings? Yes ___ No ___
   d. A combination of all three? Yes ___ No ___

The steering committee has discussed events such as card and board games, lectures, tours of local places of interest, cooking classes and many other ideas. We would like to learn from you as to the activities that you would enjoy participating in. Please list your suggestions here:

The committee would also appreciate responses from families with children ages 6 to 15 to determine if there is interest in youth activities and whether there are enough children in the parish to make such events possible. Please respond to whether you have interest in activities for children (Yes ___ No ___) and how may children you have in the 6 to 15 age group (number of children ___).

Please print your name and phone number below:
